Fund Overview

The Blackwattle Mid Cap Quality fund is a concentrated yet diversified portfolio of the highest and most improving quality companies on the ASX. High quality companies are those with sustainably dominant industry positions and business models, with low levels of concentration, driven by aligned management.

The fund is concentrated on the team's best ideas, driven by fundamental research to establish differentiated views on the outlook of company quality, valuation and earnings. The fund is targeting long term ownership of high-quality companies to generate a consistent outperformance profile, compounding shareholder returns through market cycles.

Fund Objective

The Fund aims to outperform the S&P/ASX300 Accumulation Index - S&P/ASX20 Accumulation Index (after fees and before taxes) over the long term.
